To whom it may concern:

Careforward contracted Double Exposure, Kathy Krajewski, for our 2nd fundraising event which was another great success. Kathy shows are professionally done and the performers she hired were exciting and got the crowd involved dancing and having a great time. We now have a list of people who swear that they will never miss another of our fundraisers! For a non profit, you can't be much better than that.

Kathy demonstrates great pride in her work. Very detailed oriented and works well with others. Even under pressure she always has a smile on her face. She was able to work her magic with her network and get us good quality vendors who produced great products for us.

Kathy's experience and knowledge is outstanding and I would highly recommend her for anyone to promote a fundraising event.

Sincerely,
